The editor would like to thank the Wageningen School of Social Sciences (WASS), the Management Studies Group of Wageningen University, and the Association for Institutional and Political Economy (AIPE/VIPE) for their contributions, financially or in kind. In particular the editor wants to thank Anne Hilhorst, Ernest van den Ban, Thomas van Burg, Leonie Scherrenburg, Ina Versteeg, Jeannette Lubbers, and Edward Elgar for assisting in delivering the manuscript of this book. Special thanks go to Wim Hulsink for chairing vividly the related preparatory meeting in February 2010. Our final thanks go to the contributors of this volume who so generously shared and discussed their insights, rewrote their contributions accordingly to make it an integrated volume, and now share their most valuable knowledge with you, the reader.
