### Tables

0.1 **European Structural and Investment Funds allocations 2014–2020 in the EU28 member states (€)**

6.1 **Summary statistics of variables**

6.2 **Test of H1 and H2: OLS estimates**

14.1 **Regionalist party positions on European integration according to funding period**

14.2 **Regionalist party positions on European integration according to Left–Right position**

14.3 **Structural funding and regionalist party positions on European integration**

14.4 **Structural funding and regionalist party positions on European integration for three funding periods**

14A.1 **Regionalist parties**

15.1 **Number of Cohesion policy programmes, eligibility and implementation approaches across programming periods**

15.2 **Commitment appropriations for Cohesion policy 1989–2020 (€ million, constant 2010 prices)**

15.3 **Relative distribution of resources to Thematic Objectives in the national Partnership Agreements (% values of TO allocations over total PA value)**

16.1 **Number of Cohesion policy programmes, eligibility and implementation approaches across programming periods**

16.2 **Commitment appropriations for Cohesion policy 1989–2020 (€ million, constant 2010 prices)**

17.1 **Number of Cohesion policy programmes, eligibility and implementation approaches across programming periods**

17.2 **Cohesion policy funding, 1989–2020 (€ million, constant 2010 prices)**

17.3 **Share of national Cohesion policy funding allocated to the poorest regions, 1989–2020 (% of total funding)**

17.4 **ERDF and ESF contributions, 2000–2020 (% of total Cohesion policy funding)**

17.5 **Thematic Objectives, 2014–2020 (% of national allocation)**

18.1 **Main data of NUTS regions in sparsely populated countries**

18.2 **Cohesion policy programmes, eligibility and implementation approaches across programming periods**

18.3 **Commitment appropriations for Cohesion policy 1995–2020 (€, constant 2010 prices)**

18.4 **Priorities and Operational Programmes in sparsely populated countries in 2014–2020 according to Partnership Agreements**

18.5 **Relative distribution of resources to Thematic Objectives in the national Partnership Agreements (% values of TO allocations over total PA value)**
19.1 Number of Cohesion policy programmes, eligibility and implementation approaches across programming periods 303
19.2 GDP per capita of regions, % of EU28 average and regional disparities, 2004–2011 308
19.3 Cohesion policy funding, 1989–2020 (€ million, constant 2010 prices) 311
19.4 Budget allocation ratios by Thematic Objective in the 2014–2020 Partnership Agreements 314
20.1 Correlation analysis: per capita expenditure for regional policy, rural development and PAC 1st Pillar 333
21.1 Key priorities and funding in Cohesion policy and Trans-European Networks for the 2014–2020 period 341
21.2 Cohesion policy funding by broad policy area in EU15 and acceding countries 342
25.1 The six countries of the Eastern Partnership (EaP) 400
25.3 EaP: historical milestones 403
25.4 The Eastern Partnership Index 406
25.5 Main economic indicators of EaP countries 407
26.1 Milestones of European urban policy 416
29.1 PPP per capita GDP relative to EU28 average in 2014 EKS dollars (%) 467
